INDEX TO VOLUME 1

The star (*) preceding the page number indicates an original article in The Archives. Book Reviews, Obituaries and Society Transactions are indexed under these headings in their alphabetical order under the letters B, O and S respectively.

Abramowitz, W. W.: Annular lichen planus 329
Case for diagnosis 110
Delaying early diagnosis of syphilis (chancre); dangers and how to avoid them 212
Ichthysosis vulgaris and von Recklinghausen's disease 345
Nevus lateralis, hyperkeratotic type 344
Nevus verrucosus 111
Psoriasis and dermatitis exfoliativa 713
Abscesses, multiple; H. Fox 716
Acanthosis nigricans or melanotic cancerous papillomata; Dubreuilh 66
Acne; E. P. Zeisler 483
or papulonecrotic tuberculid; Wise 741
Acnitis; Strickler 102
Acro-asphyxia; F. Wise 340
Acrodermatitis chronica atrophicans; F. Wise 115
chronica atrophicans with report of case; M. Scholtz *565
Acromegaly; J. M. Armstrong 360
unilateral; J. F. Schamberg 104
Actinomycosis, cancer of face resembling; J. Nicolas, M. Favre and Massia. 452
Acton, H. W.: Study of distribution of Bagdad boils on body made with view to discover transmitting agent 65
Adamson, H. G.; Multiple xanthoma in boy 695
Lichen planus in children 582
Present position of curative vaccination 211
Schamberg's "peculiar progressive pigmentary disease of skin" 326
Addison's disease; Strickler 101
Adenoma sebaceum; I. Rosen and Wolf, 329; W. B. Trimble, 340; J. J. Rothwell 700
Adson, A. W.; Surgical treatment of gummatous osteitis of skull 584
Aikins W. H. B.; Status of radium-therapy in dermatology 581
Alling; Case for diagnosis 110
Alopecia, epidemic of; W. J. Rutherford 580
postinfluenzal; H. H. Hazen 68
totalis; M. B. Parounagian 220
totalis (treated with carbolic acid); B. F. Ochs 459
Angioma serpiginosum; A. M. H. Gray, 64; H. Fox 461
Anthrax, cutaneous; E. F. Neve 449
human; J. C. Regan and C. Regan 72
shaving-brush anthrax of face; G. Pernet 695
Aortic insufficiency and Wassermann test; J. E. Benjamin and J. S. Havre. 325
insufficiency, syphilitic; J. C. Meakins 698

PAGE

Apothesin, skin reactions to apothesin and quinin in susceptible persons; W. H. Mook 651
Armstrong, J. M.; Acromegaly 360
Leprosy 360
Pigmented mole 360
Arsenic, erythema due to arsenic; M. G. Milian 578
intramuscular arsenical treatment; L. Gerbay 452
pigmentation due to arsenic; Parounagian 739
preliminary report on syphilitic and arsenical jaundice; G. O. Scott 208
Arsenobenzene, Arsenobenzol: See Arsphenamin.
Arsphenamin, avoidance of untoward results following arsphenamin administration; C. Stern 206
comparison of two methods of administering arseno-benzol compounds in syphilis; H. E. Gibson 453
early nervous syphilis after arsenobenzene; J. E. R. McDonagh 687
eruption; E. P. Zeisler 746
exfoliative dermatitis due to arsphenamin; report of fatal case; J. R. Latham 69
four fatalities following salvarsan; W. B. Blanton 212
functions of cerebrospinal fluid, with special considerations of spinal drainage and of intraspinal injections of arsphenamized serum; F. X. Dercum 579
hemolytic activity of solutions of arsphenamin and neo-arsphenamin; J. A. Kolmer and E. M. Yeagle 690
laboratory and clinical studies bearing on causes of reactions following intravenous injections of arsphenamin and neo-arsphenamin, second communication; J. F. Schamberg, J. A. Kolmer, G. W. Raiziss and C. Weiss *235
persistent salvarsan exanthema; D. Fuchs 698
serious reactions from salvarsan and diarsenol brands of arsphenamin; unusual blood pictures, with report of fatal case; J. E. Moore and F. E. B. Foley *25
therapeutic management of tuberculids with specific reference to efficiency of arsphenamin; J. H. Stokes 72
treatment of syphilis with silver-salvarsan; Rile and Fruhwald 583
treatment of tuberculids; J. H. Stokes 573
Arthritis, case of gonorrhea with arthritis and keratoses; N. P. Lang 77
Ashbrooke, C.: One aspect of syphilis as community problem 74
Atrophoderma, pigmentation with atrophoderma on right thigh; G. M. MacKee 348
Atrophy, acrodermatitis chronica atrophicans with report of case; M. Scholtz *565
macular atrophy of skin; Stillians 484
of skin; A. W. Stillians 595
Atwater, R. M.: Scleroderma and sclerodactylia; report of case with roentgen rays and review of literature 73
Axillae, chronic papular itching eruption of axillae and pubes (Fordyce); S. M. Withers *8

Babonneix; Allergy in syphilis of nervous system 67
Bachman, R. W.: Spore identifications in scrapings *50
Bacot, A.: Experiments on destruction of lice and nits 450

Barker, L. F.: Chronic pemphigus vegetans of several years' duration..... 76
Baudouin, E.: Motor troubles in zona..... 323
Bechet, P. E.; Case for diagnosis..... 356
Extensive erythematosus showing result of repeated applications of 95 per cent. phenol solution..... 351
Hydrargism from application of weak ammoniated mercury ointment in treatment of psoriasis.....*636
Mycosis fungoides..... 711
Pityriasis rubra pilaris.....111; 705
Tuberculosis verrucosa cutis.....330; 705
Bedell, A. J.: Multiple vaccination of eyelids..... 584
Benjamin, J. E.: Relation of aortic insufficiency to Wassermann test..... 325
Bercovitz, N.: Cancer in Hainan, China..... 71
Bladder, syphilis of; L. Thompson..... 694
Blanton, W. B.: Four fatalities following salvarsan..... 212
Blastomyces, clearing house for cutaneous fungi and blastomyces; F. D. Weidman 683
Blastomycosis; A. W. Stillians, 94; D. Lieberthal, 477; B. F. Ochs, 734; A. W. Stillians and F. E. Senear..... 589
carcinoma suggesting blastomycosis; Mitchell and Finnerud..... 589
extensive, of arm; J. Butler, Jr..... 359
Blood, chemical composition of, in cancer; R. C. Theis and W. S. Stone.. 324
Boggs, R. W.: Treatment of epithelioma by radium..... 73
Boil, Bagdad, study of distribution of Bagdad boils on body made with view to discover transmitting agent; H. W. Acton..... 65
Delhi boil; H. MacCormac..... 65
Bonne, E.: "Bosch-yaws," dermal leishmaniasis of Dutch Guiana..... 320
Bonorino Udaondo, C.: Atrophic cirrhosis of liver with inherited syphilis.. 568
Book Reviews:
Common Diseases of Skin with Notes on Diagnosis and Treatment; G. Gordon Campbell..... 749
Diseases of Skin; R. L. Sutton..... 117
Le Traitement de la Syphilis par les Composes Arsenicaux; Lacapère... 230
Textbook of Dermatology; J. Darier..... 748
Bory, L.: Parasitic theory of psoriasis..... 587
Bosch-yaws, the dermal leishmaniasis of Dutch Guiana; E. Bonne..... 320
Bowen, J. T.: Precancerous dermatoses; further course of two cases previously reported *23
Branchial cyst; F. L. McEwen..... 598
Bridgeman, F. W.; Heart block caused by gumma of septum..... 68
Brocq, L.: New notes on eczemas..... 66
Broders, A. C.: Squamous-cell epithelioma of lip..... 685

PAGE

Bromid, circular ulcer of leg caused by administration of bromids; E. Ward 214
eruption; F. Wise 709
Brown, W. H.: Vitiligo and its relation to syphilis, acquired or hereditary.. 213
Browning, C. H.: Complement fixation test in syphilis 206
Wassermann tests; occurrence of variations in results of successive tests. 79
Bubo, filiform drainage in treatment of chancroidal bubos; A. Floquet... 325
Bullard, H. H.: Method of clearing frozen section 68
Bunch, J. L.: Keratosis follicularis 65
Linear morphea 695
Burn, extensive keloidal scarring after burn; F. Wise and J. A. Fordyce.. 730
Burnier: Gonococcal chancres 67
Burrows, M. T.: Significance of lunula of nail 68
Butler, J., Jr.: Extensive blastomycosis of arm 359

Cailliau: Wrinkled senile skin in child of two 455
Calcareous deposits in skin; Fernet and Nahan 586
Camphor oil tumors; W. H. Mook and W. G. Wander *304
Cancer, chemical composition of blood in cancer; R. C. Theis and W. S. Stone 324
early diagnosis of cancer of tongue; M. Ferrand 207
effect of X-ray irradiation on living carcinoma and sarcoma cells in tissue cultures in vitro; N. Kimura 71
in Hainan, China, preliminary statistical study of 131 operations with special reference to age incidence, anatomical distribution and etiology; N. Bercovitz 71
in syphilitic patient; B. Lapowski 330
mortality statistics of cancer among wage earners; with observations on comparative incidence of disease in general population; L. Dublin. 72
of face resembling actinomycosis; J. Nicolas, M. Fevre and Massia 452
old age in relation to cell-overgrowth and cancer; E. W. Goodpasture and G. B. Wislocki 67
precancerous dermatoses; further course of two cases previously reported; J. T. Bowen *23
precancerous lesions of skin of vulva; leukoplakic vulvitis, kraurosis, pruritus; F. J. Taussig *621
solar keratoses and cutaneous cancer; J. N. McCoy *175
studies on X-ray effects; direct action of X-rays on transplantable cancers of mice; E. Hill, J. J. Morton and W. D. Witherbee 76
suggesting blastomycosis; Mitchell and Finnerud 589
Carcinoma: See Cancer

Dermatitis exfoliativa; Stillians 745
exfoliativa and psoriasis; E. W. Abramowitz 713
exfoliativa due to arsphenamin; report of fatal case; J. R. Latham 69
exfoliativa, of fingers; Stillians 90
exfoliativa, vaccine therapy; W. S. Gottheil 458
for diagnosis (bullous dermatitis herpetiformis or erythema multiforme); W. S. Gottheil 217
herpetiformis; Pusey 744
herpetiformis, universal dermatitis following; Hartzell 100
medicamentosa; I. Rosen 355
premycotic dermatitis; W. A. Stillians 611
psoriasis, seborrheic dermatitis and pityriasis rosea; W. A. Pusey and F. E. Senear 589
repens; O. S. Ormsby and Mitchell 598
universal exfoliative dermatitis from sodium cacodylate; W. A. Pusey .. *57
universal, following dermatitis herpetiformis; Hartzell 100
Dermatologic misnomers; M. Scholtz, *182; G. H. Fox 443
Dermatoses, precancerous dermatoses; further course of two cases previously reported; J. T. Bowen *23
Dermatothlasia (so called pickers' disease); F. Wise 222
Devergie's disease; E. P. Zeisler 93
Devota, F. J.: Intravenous injection of potassium iodid in tabes dorsalis ... 76
Diarsenol, effect of intravenous diarsenol; W. C. Rappleye 69
Diathermy; N. Patterson 448
Disinfectors, experiments with steam disinfectors in destroying lice in clothing; R. H. Hutchinson 324
Driscoll, T. L.: Erosive vulvitis *170
Drug eruption: See under Apothesin; Arsphenamin; Bromid; Intramine; Quinin; Sodium cacodylate
Dublin, L. I.: Mortality statistics of cancer among wage earners; with observations on comparative incidence of disease in general population 72
Dubreuilh: Acanthosis nigricans or melanotic cancerous papillomata 66
Dudley, S. F.: Primary syphilis 79
Dujardin: Vitiligo and its relation to syphilis, acquired or hereditary ... 213
Dyke, S. C.: Keratodermia blennorrhagica 447
Dyshidrosis: Its parasitic nature; J. Darier 447
Dystrophies and hereditary syphilis: V. Hutinel and H. Stevenin 575

Eberson, F.: "Spirochetes" derived from red blood corpuscles *638
Ectodermal defect, congenital, with report of case; W. H. Goeckermannn .. *396
Eczema; W. A. Pusey and F. E. Senear 609
etiology of eczema; H. H. Hazen *642
folliculitis decalvans with seborrheic eczema; F. Wise 468
from dermatological point of view; G. M. MacKee 70
new notes on eczemas; L. Brocq 66
of nipples; W. B. Trimble 464
persistent; D. Lieberthal 483
Eczematoid infectious dermatitis; E. P. Zeisler 476
Edema, chronic, of eyelids; H. Fox 718
Elephantiasis, filarial; L. T. Wright 336
Ellis, H. A.: Picric-brass preparations in lupus and other forms of tuberculosis 77

Encephalitis, epidemic; D. Denéchau..... 689
Endomyces, cultural studies on an infection of skin by endomyces albicans; F. W. Tanner and B. Feuer.....*365
Engman, M. F.: Burning tongue.....*137
Monilia candida infection of mouth; Moeller's disease, pneumococcus infection of tongue, etc.....*119
Peculiar fungus infection of skin (soorpilze)..... *70
Epidermolysis bullosa; L. C. Pardee..... 92
Epidermophyton infection; E. P. Zeisler..... 599
infection, "epidermophytosis"; M. B. Hutchins..... 63
Epithelioma (?); F. Wise..... 739
benign cystic epithelioma (Brooke-Fordyce type); M. B. Hartzell..... 103
multiple benign cystic epithelioma; G. M. MacKee..... 346
multiple benign cystic epithelioma and syringoma; F. Wise..... 357
of lip; J. J. Rothwell, 332; M. Parounagian..... 335
of nose; J. Kingsbury..... 725
of penis; healed by curettage and acid nitrate of mercury; W. B. Trimble. 733
of tonsils, with syphilitic condition; M. B. Parounagian..... 458
of upper lip; superficial flat type; W. B. Trimble..... 466
squamous-cell, of lip; A. C. Broders..... 685
treatment of, by radium; R. H. Boggs..... 73
unusually large primary epithelioma of ocular conjunctiva; C. A. Vessey. 697
Erythema, acute, resembling measles; F. H. Kelly..... 76
arsenical; M. G. Milian..... 578
chronic, of face (for diagnosis); W. B. Trimble..... 699
ichthyotic condition with erythema (for diagnosis); H. H. Whitehouse.. 724
induratum of legs with tuberculids of fingers; D. Lieberthal..... 590
migrans (geographical tongue); B. F. Ochs and Feldman..... 219
nodosum, cerebrospinal fever supervening; J. C. Meakins..... 586
nodosum syphiliticum; A. W. Stillians and F. E. Senear..... 607
perstans; A. J. Gilmour, 349, 351; J. M. Winfield 727; Wise..... 739
solare perstans? lupus erythematosus disseminatus; L. Chargin..... 347
Esophylaxis, protective function of skin (esophylaxis); E. Hoffmann..... 321
Estes W. L., Jr.: Study of causes of delayed union and nonunion in fractures of long bones..... 326
Ewing, J.: Some late and distant effects of radium..... 70
Excoriations, neurotic; G. M. MacKee.....229; *256
neurotic, with leukoderma-like lesions; M. Parounagian..... 742
neurotic, with report of cases; W. A. Pusey and F. E. Senear.....*270
Eyelids, chronic edema of; H. Fox..... 718
multiple vaccination of eyelids; A. J. Bedell..... 584

Face, chronic congestion of face; for diagnosis; W. B. Trimble..... 466
hemiatrophy of face and scalp; O. L. Levin..... 709
Favre, M.: Cancer of face resembling actinomycosis..... 452
Favus, contagiousness of, in man; B. Sabouraud..... 448
Feer, E.: Varicella and herpes zoster..... 693
Feldman: Geographical tongue (erythema migrans)..... 219
Fernet, P.: Case of calcareous deposits in skin..... 586
